2022 Theme

“Grange: In Service to Our Communities”

Tables will, again, be 3” X 3”; one table per Grange. You can use the table top and front for your exhibit. You can also put up stand-up backing on your table to post exhibits. The exhibit can include a potted flower arrangement. Each exhibiting Grange will receive \$100. First, Second and Third Place ribbons will be awarded. Bring a banner with your Grange name but do not put it on your display. They will be displayed after judging. Fair attendees will have a chance to enter a daily drawing.

Rules

When designing your exhibit, keep in mind:

1. You have 30 seconds to attract someone’s attention
 2. You have another 30 seconds to keep their attention
 3. Therefore, your exhibit should be colorful and attractive but simple and uncluttered
- Judging of the exhibit will be based on how well it does these three things.
 - Set-up is Friday, August 25, 2023, in the Ware Building from 10:00am to noon.
 - Exhibits will be taken down on Monday, September 4, 2023 by 10:00 AM
 - Each Community Grange will be asked for volunteers to cover shifts throughout Fair week.
 - For more information, please call Brenda Rousselle.
