All exhibitors may wear ASTM/SEI protective headgear in all classes without penalty from the judge.

CLASS DESCRIPTIONS

Note: An asterik “*” indicates class specifications are in the VHSA rule book and the class may be pointed with VHSA. A diamond shape “◆” indicates the class is not pointed with VHSA and class descriptions are as follows:

- ◆ **Western Ranch Division** - To be shown in good working tack with appropriate western attire. Attire/Tack with silver or excessive bling, banding of manes and use of false tails to be severely penalized. ASTM/SEI helmets allowed in this and all classes at this show without penalty. Western Ranch entries **may** cross-enter into other classes at this show, if they meet the criteria for said classes. Not VHSA pointed.
- ◆ **Western Ranch Type In Hand**: To be judged on conformation, quality, substance, soundness and manners. Rating conformation depends upon objective evaluation of balance, structural correctness, breed and sex characteristics. To be shown at a walk, jog and standing. To be presented with Western Ranch appointments & attire. Only one handler allowed. Not VHSA pointed.
- ◆ **Western Ranch Pleasure**: The ideal western ranch pleasure entry should be presented in a more forward-moving style than the typical western pleasure show horse, being able to cover long distances, softly and quietly like that of a working ranch horse at all gaits. Entries to be shown both ways of the ring at a walk, jog and lope. Extensions of any gait and/or additional testing at the judges request. If extensions are requested, exhibitors may rise in the saddle but are not allowed to post. Open to all equines. Not VHSA pointed.
- ◆ **Western Ranch Riding Pattern**: This is a pattern class judged 90% on performance, 10% appointments. Attire/Tack as noted above. Not VHSA pointed.
- ◆ **Western Ranch Reining Pattern**: This is a pattern class judged 90% on performance, 10% appointments. Attire/Tack as noted above. Not VHSA pointed.
- ◆ **Western Ranch Horsemanship**: To be shown both ways of the ring at a flat footed four beat walk, two beat jog and three beat lope. Rider judged on seat, hand, ability to achieve correct performance of horse, appointments and suitability of horse to rider. Additional testing at judges discretion. Incorrect leads to be penalized. Attire/Tack as noted above. Not VHSA pointed.
- ◆ **Command**: A fault and out class. When an entry fails to perform the requested command they are eliminated until only one exhibitor remains. Open to all equines. Not VHSA pointed.
- ◆ **\$25 added Open Saddle Seat Equitation**: Open to any age rider. To be shown at a walk, trot and canter both ways of the ring. Riders will be judged on seat, hands, performance of equine, appointments and suitability of equine to rider. Additional testing at judge(s) option. Open to saddle seat riders only using a traditional lane fox (cut-back) saddle, a full bridle (bradon/weymouth) or pelham style bit(s) with double reins. Saddle seat attire required. Not VHSA pointed.
- ◆ **\$25 added Junior/Senior Exhibitor Hunter under Saddle (on the flat)**
Open to Hunter type equines under hunt seat tack/attire. To be shown both ways of the ring at a walk, trot, canter. May be asked for extensions at any gait, may be asked to back. Light contact with horse's mouth is required. Equines to be alert, obedient, responsive and move freely. They should not be eliminated for slight errors. Entries to stand quietly and may be asked to back. Emphasis placed on actual suitability to purpose. Performance 80% conformation 20%. This is a flat class, there are no fences to jump. Not VHSA pointed.
- ◆ **\$25 added Performance Championships (W/T & W/T/C)**: Open to any exhibitor that has shown in at least one under saddle class at the show. Judged on performance, quality, and manners; additional testing at judges discretion. This is not a pleasure class; however if your entry is a pleasure type, the judge will be judging the entry against the ideal pleasure equine/rider combination. If your entry is more of a performance horse (dressage type, hunter performance type, saddle seat park type, road hack type, etc.) then the judge will be comparing your entry to the ideal performance type equine/rider combination. Not VHSA pointed.

Please note: “New Beginner” Classes* : Open to riders 5-18 years old. May not show in any other division at this show. The intention of this division is to be a stepping stone for leadline riders. To be shown at a walk and trot in the ring. An adult assistant will be allowed in the ring for every rider. Please refer to the VHSA rule book for more specifications. VHSA pointed.

Judged on style, manners and way of going with preference given to those horses that cover the course at an even pace, with free flowing strides, as in a brisk trot or canter, but must maintain same gait throughout the course. Circling once upon entering the ring and once upon leaving the ring is permissible. Charging fences, or not maintaining the same gait throughout the entire course shall be penalized. Jumps must be a minimum height of 18”. The type of exhibitor footwear may include any athletic type shoe. Major faults to be considered are: knockdowns, touched, refusals, bucking or kicking, spooking or shying, showing obstacle to the horse or wringing the tail. Causes for elimination: 3 refusals, off course, crossing your own path, fall of horse or exhibitor, jumping of obstacle by exhibitor, unsound horse. VHSA pointed.

Miniature Horse/Small Pony Jumper over fences*: Open to any Miniature Horse 38” and under or Pony not to exceed 48” in height that are at least 3 years of age. The class is to be timed by a stopwatch and the entry who has the fastest time and the fewest faults will be declared the winner. If more than one entry goes clean, the fastest time wins. Should they still be a tie, a jump off will occur only for those tied with a clean round. Scoring: knockdown 4 faults, refusal 3 faults. Causes for elimination: 3 refusals, off course, crossing your own path, fall of exhibitor or horse, jumping of jump by exhibitor, failure to pass through the start and/or finish cones. Minimum height for jumps must be 18”. Exhibitor may not go over the jumps with the horse. The exhibitor’s type of footwear may include any athletic type shoe. Front leg wraps and/or boots are optional. Jump-offs are to occur for the first place between horses that tied for first place only. The jump-off will be held over the original course with at least one fence raised. Final determination is the combination of least faults and fastest time of the jump-off. VHSA pointed.

Driving Quadrangles*: This is a timed event, open to horses, ponies and miniatures horses that are at least 3 years of age, shown individually. To be shown in harness hooked to a 2 or 4 wheeled vehicle. Entire course must be at a trot. There is a 10 second penalty for every break into cantering. Time starts when you cross the start/finish line. You make a left turn around each upper cone, go back through the center, make a right turn around each bottom cone. Go back through the center and cross the start/finish line to stop your time. This is a VHSA pointed class. See Pattern to the right-->

MANAGEMENT RESERVES THE RIGHT TO: 1) add to or vary the list of invited officials; 2) decline or refuse any entry at this show without being held liable; 3) eliminate from further competition any exhibitor or equine should the best interest of the show be served; 4) not delay classes due to conflicts, and not to allow substitutions of animals or classes; 5) change the order of classes before or during the show and combine or cancel classes.
